

# **New ISO 9001:2015 Conversion 1-day Training**

## **“With End of Course Examination”**

After the issue of the **ISO 9001:2015**, lots of ISO auditors, organizations’ quality managers & QMS personnel urgently need to learn and acquire the “proper” and “authentic” knowledge of the new requirements of ISO 9001:2015 in order to implement the new QMS. The “**Risk Management**” concept is relatively new to all the ISO 9001 practitioners. A one-day conversion course is organized to acquire the new concepts and requirements by an ISO quality veteran with 20 years’ experience of local and international assessment practices in the quality management system.

The presenter has carried out PAC (for IAF) national quality assessments & evaluations over the last 12 years in more than 18 Countries and States including more than 22 “National Accreditation Bodies”: **KAB & KAS of Korea**, **JAB of Japan**, **NAC of Kazakhstan**, **DAC of Dubai**, **PNAC of Pakistan**, **IAS & NVLAP of USA**, **JAS-ANZ of Australia**, **IANZ of New Zealand**, **SAC of Singapore**, **CNAS of China**, **DSM of Malaysia**, **NAC of Thailand**, **NACI of Iran**, **PAO of Philippines**, **BOA of Vietnam**, **KAN of Indonesia**, **TAF of Taiwan** & **NABCB of India**
